

About the Events

Clements Jr. Stampede

The Clements Buckaroos and NorCal Jr. Rodeo Association produce this event. We strive to provide the kids with an opportunity to learn responsibility, teamwork and the rewards of hard work. The youth & their families from all over Northern California come to compete & stay for a fun weekend of Jr. Rodeo.

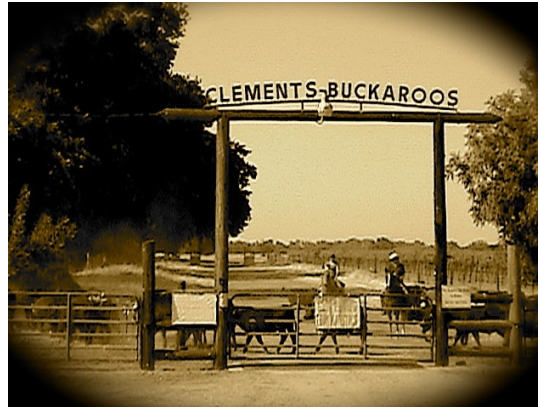

Wine Country Classic Barrel Race

The Clements Buckaroos has produced this event since the late 90's. This is an open 4-D barrel race, open to any barrel racer with a payout in a four division format. This allows for all skill levels to compete together. This event draws barrel racers & their families from all over California and neighboring states!

We are looking for sponsors to help us continue to offer horsemen & the youth in our area a great place to come, compete and have some fun! Your support of these annual events will help offset the cost to maintain, improve and these great events.

Thank you for your consideration!
